Email: Dawn.doar@grandronde.org

Serving the Tribal Membership is the focus of my work. Always remembering who we are working for and how we can help the future generations.

I have a Master of Business degree and over 15 years of experience in management and operations. I have over four years of experience working in a Head Start program and learning more each day.

Shelley Clift
Health and Nutrition
Coordinator

I believe health is a vital part of a child's ability to learn and thrive. By connecting families with information and resources, I am proud to support families in making the best health decisions for their children.

Bachelor of Science (BS) in Social Science from Western Oregon
University Honors Program

Master of Public Health (MPH) in Health Promotion & Education from
Oregon State University

I have worked with families in the Grand Ronde community for over 20 years through programs including Healthy Start, WIC, and Children & Family Services. I have also served as a member of the Yamhill County Service Integration Team, Head Start Health Advisory Committee, and the Yamhill County Health Equity Workgroup.

Melissa Phillips
Infant Toddler
Coordinator

As they grow into adulthood, children continue to be lifelong learners. They learn through their environment and their relationships with teachers, parents, and other children. I think that providing care, training, and education that focuses on the children's individual talents is key to a successful classroom. All children are unique and must have a stimulating educational environment where they can grow both mentally and physically, and that is the priority in a developmentally appropriate classroom.

I have a Bachelor of Science in Human Development and Family Sciences with a focus on Early Childhood Education. I have taught students in preschools and public schools. Most recently, I taught in the 2-3 year old classroom at the preschool for over 10 years before taking my current position as the Infant Toddler Coordinator.

Star Weatherall
Inclusion Coordinator

LaXayam (Hello),

Star nayka yaXal (my name is Star). I have been married since 2007 and we have a full household. I am a member of The Confederated Tribes of Grand Ronde, my grandma's tribe, but I come from and did my best growing up in Klamath Falls, Klamath being my grandpa's tribe. I graduated high school at Klamath Union High School in 2005, from Central Oregon Community College with my Associate's in 2011, and from Eastern Oregon University with my Bachelor's in ECE with a Minor in Native American Studies in 2022. I opened my first in-home daycare in 2007 and, from there, have worked in numerous early childcare/education settings, including center-based childcare, in-home childcare, early education/preschools, Montessori, bilingual Spanish immersion, before and after school programs, and even summer programs with youth going into 5th and 6th grade (not to mention being the second oldest of 9). My family and I moved here in 2016 and I have been working at the Grand Ronde Head Start Preschool since August 2016. My whole life has been dedicated to taking care of others. My passion is supporting families who truly are their child's first and most important teachers and advocates; and with that comes the blessing of being able to get to know and help raise the next generation of leaders. And there is no better place to do that than with my own people.

Amber Wright
ERSEA Coordinator

I strongly believe in developing positive and supportive relationships with children and their families, with the aim of empowering parents to become their children's primary and most significant educators. I understand that people have different learning styles and unique needs, and it is our responsibility to cater to each individual with a compassionate, considerate, and trauma-informed approach. I have been working for the Confederated Tribes of Grand Ronde for more than 20 years now. In this period, I have been dividing my time between the Grand Ronde Head Start and the Social Services department. I have a Bachelor of Science in Social Science with a minor in Child, Youth, and Family Studies. My education and training have been primarily focused on early childhood development and working with adult learners

Email: Amber.wright@grandronde.org

**Family and Community
Partnerships
Coordinator**

My approach to working with adult learners includes home visiting, conducting needs assessments, and motivational interviewing. I collaborate with families to identify and support their goals while respecting their rights to self-determination. I provide information and referrals that can empower families to increase their economic mobility, self-reliance, and family well-being. My educational background is a Bachelor's degree in Community Crime Prevention with a minor degree in Legal Studies. I have college certificates in Supervision and Early Childhood Education Preschool. I have achieved Oregon Registry Step 10 certification with more than 1,556 training hours in the field of childhood care and education. My Qualified Mental Health Associate credential is under the taxonomies of counseling and case management. My career has spanned 20 years of experience working in community and human services, including 8 years' experience in leadership/program coordination roles and over 8 years of experience in Head Start/EHS programs. I have skills in resource information and referral, domestic violence advocacy, positive youth development, health promotion and outcome measurement and statistical reporting.

Ashlee Webb
Education Coordinator

My philosophy focuses on how important it is to have meaningful interactions with children. Ensuring you are giving them all your focus and asking them meaningful questions, so they feel listened to and supported in their areas of interest and their lives. Every interaction with a child results in neural development and increases their understanding of the world.

Education and background experience:

I have a bachelor's degree in human development and Family sciences from Oregon State University and a master's degree in child developmental psychology with focus on birth – five from Southern New Hampshire University. I have worked in ECE for 15 years in various roles both in and out of the classroom.

Gianna Espinoza
Administrative Assistant

I grew up in Central Oregon and have lived here with my Fiancé Logan Kneeland and 3 kids for 14 years. My oldest is Logan, middle is Ava, and youngest is Allen. We enjoy visiting family, barbequing, going to new parks, and arcades.

I have previously worked here at the Preschool in different roles; being a Substitute a few times, a Cook, and currently as the Admin Assistant. I have worked at the Willamina Elementary as a SPED 1 on 1 Assistant. I have my Paraprofessional Certificate. I have also worked at the Spirit Mountain Casino Lodge- Front Desk. I am happy that my heart brought me back to the Preschool! I believe that every child and family are unique and special in their own way. I take great pleasure in greeting everyone and making sure that everyone feels welcome into our Preschool.

Vacant

Jeff Versaw
Social Emotional
Coach

I believe that every child has a right to positive self-esteem and the opportunity for supportive social interactions. As a Child and Adolescent therapist, I believe in the power of play as a way to aid growth and that it offers children freedom of action to express their inner feelings.

Education: I have a Master in Social Work and have been licensed as a Clinical Social Worker for 20+ years. for most of that time, I've specialized in Play Therapy and Early Childhood Mental Health. I've been involved with Head Start/Early Head Start indirectly and directly for over 10 years.

Sommer Bruckner
Data Specialist

I have eight years of experience serving the community and the tribe. I became passionate about early childhood education after my husband and I started a family. At the moment, both of our children are enrolled in preschool. I have the honor of working as a data specialist while our young children are at preschool, learning and developing. I'm a better, more involved parent since I work at preschool. Not only do we educate the children as parents and teachers, but the children also educate us.

I'm currently enrolled in college to advance and attain some personal goals.

Email: Sommer.bruckner@grandronde.org

Teacher Jen
Bus Driver

I'm teacher Jen, and I have been a preschool bus driver since 2017. I enjoy helping and providing safe transportation for our kids.

Sometimes, we are the first smiling adults that a student sees in the morning and the last ones that they see before they go home, which, I believe, can have a profound impact on a child.

Email: Jennifer.jerabek@grandronde.org

Heidi Whittington
Bus Driver

I enjoy the bond that is built with the families and students over time. Helping keep the kids comfortable and safe on their ride home is a goal of mine.
I have over 15 years of school bus driving, and I love every minute of it.

Teacher Tammy
Family Educator

My name is Tammy Fisher, and I am an enrolled member of the Confederated Tribes of Siletz Indians. I'm also a descendant of the Confederated Tribes of Grand Ronde (Tom/Riggs families) and the Salish Kootenai Tribes in Montana (Fisher/Pelletier families). When not at work, I enjoy spending time with my family, traveling, weaving, beading, cooking, and attending sports events. I have worked with families in the Grand Ronde community for over 7 years. My journey in ECE began as an on-call sub/bus monitor, and in 2020, I became a Family Educator. As a Family Educator for the Confederated Tribes of Grand Ronde, I believe in the value of the holistic approach to education for my students and families. By being aware of each family's unique dynamics and goals, I'm able to create a curriculum and make a plan that suits the individual needs of each child and family. I will provide an atmosphere of respect, trust and inclusion that allows everyone to feel comfortable and empowered. My aim is to include education, culture, community and family support to all families.

Teacher Shawn
Family Educator

I am very passionate about working with children and families. I hope to not only teach them but also learn from them. Every family brings something unique, and we always learn together. My goals are to ensure children's safety and build a trusting relationship with the family. My hope for families is that their early experiences prior to school make a foundation for learning and give parents the knowledge to advocate for their children and to be involved. I started my journey working with family and children in high school. I worked for a church childcare center in Willamina; I then got married and worked for 6 months in Simi Valley, CA., for Just for Kids Daycare; when we moved back to Oregon, I worked for Little Foot Daycare for 6 months. For the next 6 years, I had my licensed childcare unit in my home. I started volunteering for Grand Ronde Head Start in 2003, and then a year later, I was hired full-time, and I have been here for the last 20 years. I was a sub, an Assistant Teacher in the 3's class, a Chinuk language teacher's aide, and currently am an EHS home visitor. During my time at the tribe, I earned my associate's degree in early childhood education. I feel like I am working my dream job, and I will retire as a Teacher.

Teacher Jose
Nutrition Services
Supervisor

I have been in this position for 3 years and still learning CACFP Information. I have been in the culinary industry for 21 Years the first couple years started my junior year of high school washing dishes for Western Oregon University where it all began. Then proceeding on to Spirit Mountain Casino where I worked for a total of 6 years and started off washing dishes and then moved up to a prep cook position where I learned I was pretty good with a knife. Then moved up to the next position as short order cook working in delis and small kiosk from there I moved on to a full fledged line cook working in sports bars and buffets where I learn cooking in a large yield. I learned all I could working for the casino and strived for more knowledge in this awesome food world so I then moved on to fine dining as a chef in training at the Allison Inn & Spa the restaurant name was Jory I spent 3yrs learning all this amazing knowledge about food then proceeded on to new opportunities. I then proceeded to open a food truck called Panino where I learned not to go into business with friends. I went on to work for SAGE dining services as the Assistant Food Service Director, we were a contract dining service for a private school where I then worked for 7 years before I came to my current position.

Teacher Caitlyn
Cook

As a mom of two girls with different tastes, I've learned patience and adaptability in the kitchen—skills that are essential when feeding picky preschoolers. I believe in the power of repetition to encourage kids to try new foods, and I enjoy creating fun, appealing meals, even with dietary restrictions. Pushing kids out of their comfort zones is important, but making food exciting and enjoyable is key. When kids not only eat what I make but ask for more, it's the best compliment.

My passion for cooking started early, and by high school, I earned my Culinary Arts Certificate through a two-year Pro Start program. I was part of the school's catering team and gained hands-on kitchen experience, eventually working for Olympic gold medalist Chef Richard Burr at Spirit Mountain Casino. After earning a lead cook position, I thrived in experimenting with new dishes and flavors. After eight years in the professional kitchen, I left to focus on motherhood, which has been the ultimate challenge in adaptability. I've also embraced the nutritional side of cooking, showing that healthy food can be delicious. I continue to grow and learn, both from my team and my toughest critics—my kids.

Teacher Miranda
Lead teacher

The first lead teacher I worked with at this school used to tell me and our class something that's become my favorite thing to say to the kids I work with: "You can do hard things." Everything we say to children shapes the inner voice that will guide them for the rest of their lives. I believe in the power of shifting our language to create environments that inspire confidence in their capabilities and safety to be their most authentic selves.

Since 2017, I've worked with children in various roles within Head Start, the Chinuk Wawa Language Nest, and Children & Family Services. I have worked for center- and home-based programs, and the ages of kids I've worked with range from 0-18.
